Defendant supplements his original response pursuant to the Court's order stated in the status conference hearing on March 6, 2025:

I was not involved in any litigation involving ground I owned or leased except the 551 acres that are the subject of Case No. 6:24-CV-1012 (the Future Growth pasture) during the years in question. The pleadings for that case are available to and have been provided to the Plaintiff through his attorney in that case. We purchased 3.5 sections of grass in Hodgeman County Also, we were involved in two land transactions with Future Growth, LLC (that did not close) and a 2023 land transaction in Hodgeman County.

Respectfully submitted,
